LISA SCHWARZBAUM, ENTERTAINMENT WEEKLY

“★★★★☆ A portrait in dignity.”

MOIRA MACDONALD, SEATTLE TIMES

“CRITIC’S PICK! ‘Anita’ is an important historical document about an event that prompted a larger cultural conversation about sexual harassment.”

MIRIAM BALE, THE NEW YORK TIMES

“This intelligent and comprehensive film not only conveys the genuine nature of Anita Hill herself, but also recreates the national sensibility of the time, an era when sexual harassment in the workplace was not yet a national concern. A thoughtful and quietly powerful film.”

DUANE BYRGE, THE HOLLYWOOD REPORTER

“A powerful time capsule, deftly edited. It’s a reminder of what we were and, thanks to Hill, how far we’ve come.”

STEPHANIE MERRY, WASHINGTON POST

“Political theater that still has the power to make your blood boil.”

KENNETH TURAN, LOS ANGELES TIMES

2014 THEATRICAL RELEASE

An entire country watched as a poised, beautiful African-American woman sat before a Senate committee of 14 white men and with a clear, unwavering voice recounted the repeated acts of sexual harassment she had endured while working with U.S. Supreme Court nominee Clarence Thomas. Anita Hill’s graphic testimony was a turning point for gender equality in the U.S. and ignited a political firestorm about sexual misconduct and power in the workplace that resonates still today.

Against a backdrop of sex, politics, and race, *Anita: Speaking Truth to Power* reveals the story of a woman who has empowered millions to stand up for equality and justice. Directed by Academy Award®-winning filmmaker Freida Mock, the film celebrates Anita Hill’s legacy and provides a rare glimpse into her private life and career.
