

FIRST RUN FEATURES PRESENTS

"AN ENGAGING COMING-OF-AGE STORY WITH A HEALTHY DOSE OF BEAUTIFUL DANCING." -THE TELEGRAPH (UK)

"CHARM PERSONIFIED!" "IMPRESSIVE!"  
-TIME OUT LONDON -THE GUARDIAN (UK)

"A refreshing insight into ballet from a male perspective for a change... it is difficult not to be charmed by these three young men!"  
-ROGER WALKER-DACK'S MOVIE GUIDE

"Captures the thrill of dance dramatics and the awkwardness of growing pains. You root for their successes and commiserate with their failures"  
-LITTLE WHITE LIES

*Billy Elliot* meets *First Position* in *Ballet Boys*, a documentary that follows, over four years, the struggles, set-backs and accomplishments of three friends and hopeful future dance stars: Lukas, Syvert, and Torgeir.

The boys sacrifice a normal high school experience (including parties and dating) for the sake of ambition and a love of dance. Facing pressure from their parents, school teachers and ballet mentors, they prepare for potentially life-altering and career-making auditions at some of Europe's most prestigious ballet schools.
