STARRING GILLES LELLOUCHE ("POINT BLANK")

"Vincent Garenq's ripped-from-the-headlines saga is based on the real exploits of Denis Robert - an investigative journalist who spent years tracking the illicit activities of the Luxembourg-based Clearstream bank, uncovering ties with leading French companies and government officials. The film provides a comprehensive overview of an incident that made local headlines throughout the last decade."

-THE HOLLYWOOD REPORTER

"The Clearstream Affair' teases out not only the intricacies of an ongoing scandal lasting much of last decade, but the extraordinary human toll on journalist Denis Robert." -VARIETY

"A fascinating story of false bank accounts and alleged international money laundering which pitted two of France's best-known politicians against each other." -FRENCH CINEMA REVIEW
