

# FIRST RUN FEATURES presents

**“ONE OF THE MOST POSITIVE, LIFE-AFFIRMING FILMS OUT THERE.”**

-SANTA BARBARA INDEPENDENT

**“A POWERFUL AND UNFLINCHING DOCUMENTARY THAT DEEPLY HONORS THE EXPERIENCE OF DYING, A PERSON'S RIGHT TO CHOOSE, THE FRAGILITY OF HUMAN RELATIONSHIPS, AND THE DIFFICULTY OF LETTING GO.”**

-FRAMELINE SAN FRANCISCO LGBT FILM FESTIVAL

**“A FINISHED LIFE IS MESMERIZING, HEARTBREAKING, RESONATING, POWERFUL...”**

It is so many things that describing it here will never do the film justice. It is an immaculate example of what courageous documentary film-making looks like. If you see this film, you will tell your friends about it. You will cry. And you will wonder why in the world you never heard about it before. *A Finished Life* should not only be heard of, it should be trumpeted across rooftops and in movie houses until the rest of the world takes notice.”

-FARLEY ELLIOTT, *Laist*

A FINISHED LIFE follows the “Goodbye & No Regrets Tour” of Gregg Gour, a 48-year-old gay man with AIDS, who, when given six months to live, takes the road trip of his life.

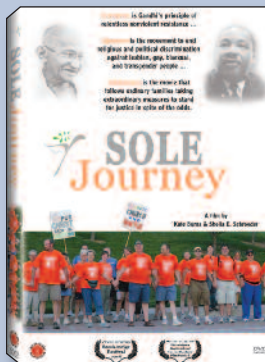

Discontinuing his medication, Gregg embarks on an emotional and surprisingly upbeat trip across America to visit, for the last time, friends and family before ending his life - on his own terms.
