"GERMANS & JEWS OFFERS INSIGHTS INTO THE INTRICACIES OF THE HUMAN CONDITION."

- LOS ANGELES TIMES

"Fascinating. With subtle, skillful editing, the filmmakers wisely allow paradoxes to arise on their own while giving the viewer enough historical context to make sense of them."

- VILLAGE VOICE

"A thoughtful and illuminating examination of a provocative subject."

- THE HOLLYWOOD REPORTER

Today, Europe's fastest growing Jewish population is in Berlin. Germany is considered one of the most democratic societies in the world, assuming the position of moral leader of Europe as they embrace hundreds of thousands of refugees. This development couldn't have been imagined in 1945. Through personal stories *Germans & Jews* explores Germany's transformation as a society, from silence about the Holocaust to facing it head on. Unexpectedly, a nuanced story of reconciliation emerges.

What began as a private conversation between the two filmmakers and friends, Tal Recanati (Jewish) and Janina Quint (non-Jewish German), grew into a cultural exchange among many and we realize that the two people are inextricably linked through the memory of the Holocaust. *Germans & Jews* is at once uncomfortable and provocative, unexpected and enlightening.

"An exceptional documentary. What truly makes the film a must-see are the fine interviews with social psychologists, historians, Jewish educators and museum directors."
