Monika Treut, the noted director of provocative films such as *Virgin Machine*, *Seduction: The Cruel Woman* and *Female Misbehavior*, returns with a mysterious love story set in Taiwan and Germany.

In *Ghosted*, German artist Sophie is trying to come to terms with the unsolved murder of her Taiwanese lover Ai-Ling. After a run-in with the seductive Mei-Li, a journalist investigating Ai-Ling's death, Sophie flees back to Germany. But when Mei-Li turns up on her Hamburg doorstep, the mystery deepens.

#### INCLUDES BONUS FILM

Monika Treut's documentary *Tiger Women Grow Wings* looks at three Taiwanese women from different generations – famed opera singer Hsieh Yue-hsia; award-winning novelist Li Ang; and filmmaker Chen Ying-rong – against the backdrop of the radical changes taking place in modern-day Taiwan.
