2012 THEATRICAL RELEASE!

Girl Model explores how young girls are discovered in obscure corners of the globe and initiated into the high stakes modeling industry. This eye-opening film follows two protagonists: Ashley, a former model and now scout who scours the Siberian countryside looking for fresh faces; and one of her discoveries, Nadya, a 13-year-old plucked from her rustic home in Russia and dropped into the center of bustling Tokyo with promises of a profitable career.
