

FIRST RUN FEATURES PRESENTS

The New York Times **Critic's Pick**

"By taking a playful approach to a deeply serious subject, *Orgasm Inc.* explores the link between female sexuality and corporate profits with a style that's as entertaining as it is revelatory."

Newsweek

"A desperately needed antidote to all the hype generated by pharmaceutical companies pursuing their holy grail: a female Viagra."

TORONTO STAR

"A sexy indictment of Big Pharma that gives a lot of great laughs."

VARIETY

"A must-see! An expertly crafted, common-sense attack on Big Pharma's shameless corporatization of health."

TIME

"Both poignant and hilarious, *Orgasm Inc.* will leave you hot and bothered."

Orgasm Inc. explores the strange science of female pleasure and in the process reveals the warped mentality of our pharmaceutical and medical industries. Director Liz Canner embarks on a nine year odyssey as she follows the companies who are racing to be the first to win FDA approval for a product to cure "female sexual dysfunction". The prize: billions of dollars in profits.

Featuring illuminating footage and interviews with activists, doctors and medical experts, *Orgasm Inc.* will change the way you think about sex.
