

FIRST RUN FEATURES presents
RARE CLASSICS from EAST GERMANY'S DEFA STUDIOS

Young people in East Germany used music to protest the social and political climate of their country. This amazing documentary captures the legendary bands of East Germany's vibrant punk and glam music scene with concert clips, interviews with band members and fans, and more.

East Germany's DEFA Studios produced more than 800 animated films. Included here are sixteen of the best – an astonishing array of animation featuring a wide variety of styles and techniques, filled with social and political satire that would have never been allowed in live-action films.
